CRAB FEED — DELICIOUS SUCCESS . .

Lion Laura Teutschel, Lion Ladybug Linda Teutschel, Lion Kevin Clay, Lion Cindy Smith, Lion Chris Bianchini, Lion Randy Witte, Lions, Lions, Lions. Everyone worked hard and pulled off another really nice evening. Attendance was good though not great but Fun/d Raising was the big winner. No final numbers available yet but it seemed to go well. Thanks, too, to all those Scout kids and dads who helped set up those heavy tables and chairs, and the Girl Scouts and Moms who did so much work in the kitchen. How could we do it without them and their always steady leader Lion Ladybug Linda???

The members donated great gifts for the Balloon raffle and ticket sales were brisk on the 50/50 raffle—won by Lion Sam Nervino.

And, now on to the next big one!!

S. C. LIONS CLUB MIXER

Next mixer will be on February 4, 5:30 to 7:30 (though many of us stay longer) at Sneaker on San Carlos Avenue. These events have been such a big hit and have brought new members as well as several prospective members. We also welcome other friends who just want to chat with some great people. Do try to stop by and **bring a friend**. **It is important to bring new people to introduce them to our club!!** We will, also, begin asking members to toss a few bucks into the pot for the food goodies, and, of course, we always buy our own beverages.

CAR SHOW NEWS

It's coming on May 3 and will be held in the hard top play area behind Central Middle School which faces on Cedar Street. Applications for showing cars are already coming in. Chair Lion Ginger Silverman and her No. 1 Ace Assistant is Lion Cindy Smith. There is lots of work to do but the profits for the club can be very good. The Ladies are asking everyone in the club to take on some small part of the work required for this important event.

Better yet – take on one of the committees and work with a committee to get it done!!!

There will be wonderful vintage and classic cars on display, food booths, vendors of related gifts and fun things, raffle opportunity tickets to sell with gifts needed for the winners, T-Shirts with our logo, live music, and more!!

Here are some of the jobs needing to be done

- Sponsorships for back of T-Shirt
- Solicit gifts for raffle / opportunity prizes
- Advertising solicitations
- Public information / relations (letting the world know about our show)
- Arrange for Trophies and Awards
- Organize Vendor booths
- Entertainment or demonstrations from public groups on the grounds of the show
- Clean-up
- Solicit items for the goodie bags for the first 100 Cars. There is an advertising plan for this so that some items go in the back at a cost and others not.

Already signed up to Chair committees are:
Registration Table – Lions Wanda, Andrea, Paul C. and Paula Ebejer-Moffit,
Raffle Ticket sales – Lion Randy,
T-shirt sales day of show – Lion Lakshmi, with Lion Anna
T-Shirt sales prior to show – Lion Connie,
Parking – Lion Dennis with Lion Carl M., Carl Garbe
Club food booth – Lions Sam, Frank – they need at least 3 more helpers

Graphic Design of Logo – Kent Yunk

The Committee has worked out the details on most of these jobs and really, really, need members to take on the responsibilities to get them done. If everyone takes on a small piece, it will all come together quickly and easily with little effort for any one member.

As you go about your daily business, remember to solicit a gift certificate from a restaurant or service provider, find a fun thing on a great sale for the raffle prize table, take advantage of all opportunities to make things happen.

EVERYONE CAN DO SOMETHING TO HELP!! AND HAVE LOTS OF FUN THAT DAY!!

YC&A Ticket Books

Sell, Sell, Sell!! This is one of our best fund raising efforts. And it is an easy one to achieve big things for our services. Lion Grant will have the car available for another weekend of sales. LUNCH MEETING - Feb. 12

Program Chair Lion PDG Al Russell has arranged a very interesting speaker for this date ; Lt. Col David Ottignon, USMC of the Hoover Institution.

NOTES FROM THE BOARD

The Board met on January 8 and covered the usual correspondence and upcoming events. Of special note is the gift to St, Anthony's Dining Room of \$200. And recommended bringing the amount to contribute to Healthy Cities to the membership as \$1,100 is recommended with the note that the funds should go to Field and Program supplies for their activities. This is the focus group from the Tri Tip Dinner proceeds. Also, it was decided that we would provide hot dogs and the usual fixings for Week of the Family Game Night on Fri, 1/30/09 to be held at the Adult Community Center. There was also an update on the upcoming Car Show and The Crab Feed. Also, funds were sent to Scholarship winners for their second installment.

Thanks to Lion Curtis Wright for hosting our monthly Board Meetings at his office.

STUDENT SPEAKER CONTEST

Lion Paula Ebejer Moffit is thrilled that she has 2 or 3 speakers who have applied for our contest this year. The contest was held at City Hall and the results will come very soon. Congratulations to Lion Paula for getting all that done.
